

Dear CSGUS Member,

On behalf of the UCLA Department of Urology, we are excited to host the 2021 Clinical Society of Genito-Urinary Surgeons Annual Meeting that will take place from November 4-7, 2021 in Los Angeles, California.

We have an exciting weekend of events already planned! We will begin with a cocktail welcome reception at the UCLA Luskin Hotel and Conference Center. On Friday, there will be a morning and afternoon of academic presentations and discussions followed by an evening studio lot tour and dinner at Sony Pictures Studios. On Saturday, we will round out the weekend's events with a morning of special presentations, a free afternoon, and conclude with our annual black-tie gala at Skirball Cultural Center. Please keep an eye out for a future email with registration information.

A room block has been reserved at the UCLA Luskin Hotel and Conference Center located at 425 Westwood Plaza, Los Angeles, CA 90095. To reserve your room, please click here: [CSGUS Clinical Society of Genitourinary](#)

Los Angeles International Airport (LAX) is the closest airport to UCLA and is located 12 miles from the campus.

If you have any additional questions, please reach out to Stacey Ma at slma@mednet.ucla.edu.
